

# WQRDLES!

Print and cut out the decoding forms, covers, and sample query cards. Print the instructions.

Each player needs one form and one cover. You do not need a set of dry erase markers, just a pen or pencil. Dice are optional.

The actual game comes with:

- magnetic dry erase boards
- magnetic secret word covers
- dry erase pens
- the full set of query cards
- a set of colored marking tiles
- dice.

Thank you,

Mark.
