# OVERVIEW

This is a solo game where you use Scrabble® tiles as golf balls to complete hidden words. Fill the holes on all the greens and win with a total score under par.

## INSTRUCTIONS

Print one of the pages above. Draw nine random tiles. If you draw Q,X,J or Z, replace each as these tiles are not used.

### GAME PLAY

Each **row** of the grid represents one **green** of the golf course.

Place a letter tile on a flag and assemble a word.

The word must be composed of the Scrabble® tile plus one of the **adjacent** letters and at least one other letter on that green.

However, you have to adhere to a minimum word length.

A **double flag** means that both adjacent letters must be used.

Record your word and score.

Continue placing and/or moving letters until all nine holes have been played.

### SCORING

Each hole is scored separately.

For example: **G** + **A** + **E** + **T** yields **GATE** for 5 points (one under par).

*Note that both adjacent letters were be used with a double flag.*

**T** + **R** + **A** yields **ART** for 3 points.

**S** + **P** + **T** + **E** yields **PEST** for 6 points (one over par).
