## Goal

One or more players form crosswords by connecting the preprinted words.

## Setup

Layout 98 Scrabble® or Bananagram® tiles face down.  
Print one of the forms above to use as your common game board.  
Grab a blank sheet and pen(cil) for scoring.  
Each player grabs three random tiles.

## Game Play

All players simultaneously place one of their tiles anywhere on the form.

Attempt to form words horizontally and also vertically.

A preprinted letter must be covered with a matching letter to complete the word.

As a word is made, score the points for the word. Words can be extended, but letters cannot be moved once placed.

Replenish your played tile to maintain three tiles in hand.

Repeat grabbing and dropping letters until no more words can be made.

## Winning

When no more words can be made, the player with the most points will be the winner.
