GOAL

Add one or more tiles per box to unscramble words.
Ideally, complete all the words.

SET UP

Flip all your letter tiles upside down.

GAME PLAY

Flip over a tile and place within any box
or temporarily off the page for use later.
The combined letters must form a valid word.
There is no limit to the number of letters per word
as long as they can all form a word.

Move tiles around as needed.

Repeat until all boxes have a valid word.
Letters on the page must all be placed eventually.

Win when you have made all necessary words.
