

SKY WORDS

A
THREE-
DIMENSIONAL
WORD
GAME

Reach for the sky to build a skyscraper of words. Attach letters in any direction in this brainy combination of literacy and dexterity for all ages.

Starting with a random base letter, players use their private stockpile of letters to spawn words by attaching them to existing letters. Build words in any direction. Cooperative and competitive modes.

Components: 60 laser cut notched, 1.5-inch, A-Z letter tiles. 4x4 base tile. Expandable with 40 common bigrams tiles.

Mechanics: [Tile Connection](#), Tile Placement
Genres: Kids Game, Family Game, Party Game
