

STACKERS

An “Uplifting” Word Game

Stack letter fragments to find and claim words on an everchanging playing field.

Placing [EE] makes
SPEED & GREETER

Grab a tile, stack the letter to form your word of any length in any direction. Be careful to claim all hidden words, else your opponent might steal one!

Laser cut game with 5x5 wooden grid and 150 letter fragments tiles comprising single letters and the most common double- and triple-letter fragments in the English language.

Notable Feature: Tiles include **BIGRAMS** and **TRIGRAMS** for compact game play.
