

WONKY WORDS

A crooked word game using letter-holding polyominoes.

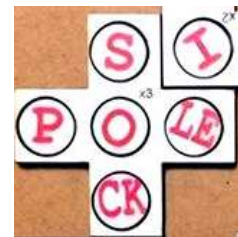

A Scrabble™-like word game where you form words inside polyominoes before connecting them.

Grab a shape, grab letters, place your word(s).

The crookeder the shape, the higher your score!

No awaiting your turn - simultaneous game play for fast action.

Components: 50 lasercut wooden polyomino tiles, 200 letters and bigram (two-letter) fragments.
