

SCRxBBLE® PAIRS 2A

## PAIRS

Two or more players compete to build short crosswords within grids.

## SET UP

Select and print similar grids for each player.  
Flip all 98 Scrabble® letter tiles face down between the players.

## RULES

Playing simultaneously, players each grab one tile per turn.  
Place letters in such a manner as to create intersecting words.

You may move letters around as needed.

A complete crossword has no spaces in its grid.

## WINNING

The first player to fill three crosswords will win a round. Play three rounds with different grids to determine the overall winner.
