GOAL

Add one tile per box to complete each word.

SET UP

Print one of the game boards above.

Give yourself 26 A-Z tiles..

Each box has two word fragments.

Each fragment is missing one letter, either from the start or end of a word.

Place one letter per box.

Use the letter to form two words per box.

The letter will be either at the start or end of the fragment.

Only 25 letters will be used.
